

An Immersion Into the Heart of Consciousness

LORD BLUE THROAT ROARS

May 24th & 25th

Join us for a transformational journey into the Great Heart

with Paul Muller-Ortega

Paul Muller-Ortega brilliantly combines his vast knowledge as a renowned scholar of Hindu Tantra and his 40 years of devoted meditation practice to offer an unparalleled experience of deep inquiry. Together, we will consider the great path of return.

Professor Paul Muller-Ortega is internationally recognized as one of the world's foremost scholars in the field of Indian religion. For more than thirty years, Paul has been a pioneer in the technology of consciousness. Professor Muller is the author of the highly acclaimed book, THE TRIADIC HEART OF SHIVA in which he examines the "heart" as the mystical core of consciousness.

NAMAH HRIM, His Blue Throat Roars

You contain unimaginable magnificence inside of you, and that magnificence must reveal itself. Practice the great path of return. Practice the great journey of ascension. Practice the great crossing. Awake from the dream and remember who you really are.

-Professor Paul Muller-Ortega.
